Dear Mrs. Manley:

Answering yours of the 25th, I know about the letter that Mr. Reilly wrote you recommending our ML grade flannel which isn't 100% wool, but is a mighty fine uniform. However, I know you generally like the best and I find that we can get out (we have just enough flannel) a set for you of our top grade best quality white flannel.

I am giving you herewith a sample of both our ML and Triple X flannels, which is a better material, and you can make your selection of whichever one you see fit in case you want to order some more suits. However, I must tell you, as we are so far behind on promises in our Clothing Factory, that you will have to be quite patient with us in getting these out and it may be this delivery won't satisfy you - wouldn't promise them under 30 days and perhaps longer.

Still hope we will locate the jackets, but this isn't the first express shipment we have had lost this year. Guess there must be a war on.

Cordially yours,

W. L. Robb

Assistant to the President.
